

The PADA must...

- ✓ **Receive you in a quick time:** *Because the European directive says that the administration must register your asylum application within 3 days!*
- ✓ **Inform you of the asylum application in your language, including the DUBLIN procedure**
- ✓ **Take your appointment at the prefecture**
- ✓ **Take the necessary passport photos**
- ✓ **Provide you with domiciliation to receive important mail**
- ✓ **Tell the OFII if you are a vulnerable person to accelerate assistance:** *If you are a minor, a person with a disability, an elderly person, a pregnant woman, a single parent with minor children, a victim of human trafficking, suffering from serious diseases, mental disorders or have suffered torture, rape or sexual mutilation...*
- ✓ **Provide you with social support**
This includes : Health insurance coverage, follow your accommodation in the CADA or 115, send your children to school, help to re-establish your rights to ADA, ask the OFII to finance the train to go to OFPRA, finance the bus to the accommodation centre....
- ✓ **Complete OFPRA dossier with you including the asylum story**
- ✓ **Help you to request a free lawyer to make the appeal to the CNDA**
- ✓ **Inform you about your rights after the final refusal of asylum**

The Platform is the only one authorized to carry out these missions as specified in the law. Not the independent associations!

The PADA must not...

- ✓ **Shorten the duration of the 1st appointment:** *it should last about 1 hour*
- ✓ **Make appointments too late at the prefecture:** *Because European law gives the administration 3 days to register your asylum application*
- ✓ **Ask you to write the asylum story on your own**
- ✓ **Make mistakes when writing names in your dossier**
- ✓ **Tell you to go to associations for accommodation:** *Accommodation by the OFII is the law, even for people in Dublin procedure: in a CADA if you have a "normal procedure", or in an emergency centre for asylum seekers (better than 115). The State must open new accommodation!*
- ✓ **Deliver late your mail**

Important! For people who apply for asylum after 18 months of DUBLIN, the OFII must examine the files on a case-by-case basis to decide whether to restore the ADA, taking into account your vulnerability.

**The living conditions of asylum seekers are difficult.
